

Storage locations & fees

| Storage locations | gold, silver, platinum, palladium (domestic) | silver, platinum, palladium (bonded) |
|-------------------|--|--------------------------------------|
| Zurich | ✓ | ✓ |
| Singapore | ✓ | ✓ |

For maximum clarity, OrSuisse fees are based on a simple structure.

| Storage fees (includes insurance) | gold, platinum, palladium | silver |
|---|---------------------------|------------|
| Allocated & segregated (with bar numbers on warehouse receipts) | 0.7 % p.a. | 0.9 % p.a. |

Storage fees will be prepaid in accordance with the chosen storage period (1-10 years). Upon retrieval of goods, you will be reimbursed for any full years of your chosen storage period which remain unused.

Insurance

Your precious metal holdings are **fully insured** while they are deposited in any OrSuisse storage facility. This insurance provision includes all risks cover against the loss of precious metals as a result of theft, robbery, fire and water damage, etc. All storage fees automatically **include insurance costs**.
